

MATERIAL LIST

G5828A Garage Plan

This estimate is designed solely to provide the customer with a rough estimate of the amount of material used in the given project. The material estimate is based on normal and typical building and construction techniques. The actual amount of material used may vary from this estimate due to a number of factors. Consequently, no representation or warranty has been made that the amount of material used will not vary from the estimate. Cad Northwest has no liability for costs or charges resulting from errors or omissions.
